*Arbor 2*

Sports tourism continues to be a hot topic for the Nebraska tourism industry and not just for DMOs. Hotels and attractions also want in on this important market. This session will provide an overview of the market, current trends, and practical advice to local stakeholders on accessing and serving the sports tourism market.

### **Colorado Springs Sports Nebraska Trip:**

Brenda will be visiting the following:

- USA Ultimate
- USA Basketball
- USA Table Tennis
- USA Weightlifting
- USA Judo
- USA Boxing
- USA Rugby---Friday in Denver

Sports Nebraska will host an NGB reception at Top Golf from 3pm-6pm MST. To continue building relationships with the teams we met throughout the day and look at RFP's.

USA Boxing offers scholarships, and I see this as a great opportunity for our area.
