RE: 2024 Annual Report

On behalf of the NIRMA Board of Directors, it is my pleasure to present you with our 2024 Annual Report, a compilation of highlights and data from your member-owned risk management and self-insurance program.

We are grateful to you for helping the pools start 2024 on a great foot by recommitting to another three years in the program. This was the twelfth consecutive cycle with 100% recommitment by eligible members, dating back to our start in 1988. It's something we never take for granted.

Members again showed their strong dedication to risk management with their attendance at the year's many learning events, and the pools ended the year on a strong and stable financial note with their highest combined member fund balance to date at \$41.1 million, after returning another \$1 million dollar dividend.

These milestones and ongoing achievements help us to move confidently into a shared horizon that is being charted every day.
