NOTICE OF DATA BREACH

Scotts Bluff County Clerk
Gering, NE

Please be advised that some of the North Platte Natural Resources District's computer systems were the target of an information security breach on or about November 27, 2024. This letter is to inform you that your personal information may have been involved in that security breach.

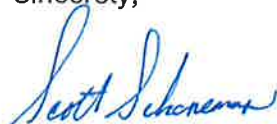

The NPNRD values the protection and privacy of your data and has worked with our information technology team, has hired a cybersecurity firm to investigate the breach and to resolve and fix any weaknesses in the NPNRD's systems, and has notified the appropriate authorities.

At this time, we have no evidence that your data has been misused, however, it is important we notify you so that you can take any precautions. Some of the recommended precautions when your information is included in a data breach include:

- Monitoring your accounts. Regularly check your account statements and credit reports for any suspicious activity. Report any suspicious activity to your banking or credit institution immediately.
- Create a My Social Security account and contact the Social Security Administration to request a block of electronic access. They can be reached at 1-800-772-1213. More information regarding Social Security information can be found at:
<https://www.ssa.gov/pubs/EN-05-10220.pdf>
- Activate identity protection services. If you subscribe to identity protection services or wish to subscribe to such services, contact those companies directly.

The NPNRD sincerely apologizes for any stress or inconvenience caused by this matter and wants to assure you that protecting your information remains our top priority.

Sincerely,

Scott Schaneman
General Manager
