Enclosed is a copy of the Certificate I have delivered to the Scotts Bluff County Treasurer. This certificate verifies that following receipt of the bill for control work performed on your property two months have passed. According to state statute and the Notice of Unpaid Weed Control Assessment there is now a lien on your property. You will need to contact the Scotts Bluff County Treasurer prior to paying this lien that has become a part of your real estate taxes. Please **do not** send any money to the Scotts Bluff County Weed Office. The Scotts Bluff County Treasurer will calculate your total bill that includes interest.

To avoid all of this in the future, I encourage you to create a Weed Management Plan that will need to be approved by this office and the Scotts Bluff County Weed Board. If you need assistance with this plan please contact me and I will be more than willing to assist you.

Thank you for your help in controlling noxious weeds in Scotts Bluff County and in Nebraska.

Sincerely,

Steve Baird
Weed Superintendent
