Scotts Bluff County Commissioners

I am writing to formally resign from my position as Management Accountant for Scotts Bluff County. I do not have an official last working day at this time. The start date for my new position is December 29, 2025. I will be available to assist with onboarding my successor, if you choose to utilize me for this.

I want to express my sincere appreciation for the opportunities and support I've received during my time here. Wow, we have been through a lot. Working with all of you, and the Officials team and employees at Scotts Bluff County has been incredibly rewarding, and I've grown both professionally and personally.

Please know this decision was made carefully and is based on personal reasons. I will do everything I can to ensure a smooth transition—whether that involves training a replacement, documenting processes, or assisting with projects during my remaining time.

Thank you again for the opportunity to be part of Scotts Bluff County. I truly value the relationships and experiences I've gained, and I leave with gratitude and respect.

Wishing the County operations continued success.

Yours truly,

Lisa Rien
