Enclosed is a copy of the Certificate I have delivered to the Scotts Bluff County Treasurer. This certificate reflects costs incurred from weed control work performed on your property that went unpaid for two (2) months or more. Pursuant to state statute, there is now a lien on your property. You will need to contact the Scotts Bluff County Treasurer prior to paying this lien that has become a part of your real estate taxes. Please **do not** send any money to the Scotts Bluff County Weed Control Authority. The Scotts Bluff County Treasurer will calculate your total bill that includes interest.

To avoid similar added tax liability in the future, I encourage you to create a Weed Management Plan in coordination with this office and the Scotts Bluff County Weed Control Authority. If you need assistance with this plan please contact me and I will be more than willing to assist you.

Thank you for your help in controlling noxious weeds in Scotts Bluff County and in Nebraska.

Sincerely,

Steve Baird
Weed Superintendent
