RE: Cashvest by Three+One

Dear Commissioners,

I am writing this memorandum because I am unable to attend the regularly scheduled board meeting on 3/2/26. In the meeting I will be represented by Steven Richter for the Assessor's office.

Heather Hauschild will be coordinating a presentation for Cashvest by Three+One. Heather and I have reviewed this service and are thoroughly impressed by the product. I wanted to let you know in advance that I fully support acquiring this product should it come to a vote on 3/2/26.

I believe that CashVest will help us to better manage the County's cash positions and make more confident decisions when it comes to cash-flow, investing, and enhancement of our banking relationships.

I will be back in the office on 3/3/26 should you have any questions.

Regards,

Robert E. Simpson
