Dear Commissioners,

I want to provide you with information about the CashVest Three + One contract that I will be presenting at the Board Meeting on Monday night. If you have time, I strongly encourage you to review the links below. Kevin from CashVest will also have a short presentation via Zoom and will be able to answer any other questions that you may have.

CashVest Three + One is endorsed by Nebraska NACO and National NACO. It is a tool to look at better ways to invest County money. They will not invest on our behalf but will analyze our information and help us explore ways to get more out of our cash on hand.

If you have any questions, please let me know.

If you wanted to share additional information before that meeting, here are a few great resources:

- www.threeplusone.us/value: This page has great testimonials and case studies

- <https://threeplusone.us/2025/11/18/lanaster-county-turning-market-pressure-into-community-progress/> tells a great story on how Lancaster County has benefited from cashVest
- <https://threeplusone.us/2025/12/12/the-cash-strategy-transforming-county-budgets-nationwide/> is a great webinar we hosted with the Washington State Association of Counties

Please let me know if there is anything else we can provide at this time.
