This Interlocal Agreement for Emergency Mutual Aid and Assistance ("Agreement") is entered into by and among:

- Banner County, Nebraska
- Kimball County, Nebraska
- Sioux County, Nebraska
- Dawes County, Nebraska
- Morrill County, Nebraska
- Box Butte County, Nebraska
- Cheyenne County, Nebraska
- Deuel County, Nebraska
- Garden County, Nebraska
- Sheridan County, Nebraska

(Collectively referred to as the "Parties")

**WHEREAS**, the safety and protection of the citizens, property, and infrastructure of the participating counties is of paramount importance to the governing board of each participating County and all levels of local government;

**WHEREAS**, pursuant to the Nebraska Interlocal Cooperation Act, Neb. Rev. Stat. §§ 13-801 to 13-827, and the Nebraska Emergency Management Act, Neb. Rev. When aid and assistance have been requested, a Party may determine itself unavailable to respond based on its own operational needs and shall promptly inform the requesting Party of such determination.

**C. Good Faith Effort** – Except as provided in subsection B above, each Party shall make a good faith effort to provide requested assistance, consistent with the mutual aid principles established in the State Emergency Operations Plan.

**A. Types of Assistance** – Aid and Assistance may include, but is not limited to:

- Fire suppression equipment and personnel
- Flood response equipment (pumps, barriers, sandbags, rescue equipment)
- Law enforcement personnel and equipment pursuant to Neb. Rev. Stat. §81-829.65

**C. Supervision and Control** – The Provider shall designate supervisory personnel among its employees sent to render assistance. The Recipient shall:

- Provide necessary credentials and authorizations to Provider's personnel to operate within the Recipient's jurisdiction

- Coordinate between Provider's supervisory personnel and Recipient's command structure

Provider's supervisory personnel shall have the authority to:

No Party shall be required to furnish operators for another Party's equipment, nor shall any Party operate another Party's equipment except upon the express direction and authorization of the owning Party or as otherwise specifically agreed in writing. Any such deviation shall not be deemed a general waiver of this provision.

**E. Duration and Extensions** – Unless otherwise agreed in writing:

- Initial assistance period shall be twenty-four (24) hours from time of arrival
- Extensions shall be in increments agreed upon by Authorized Representatives of both Parties
- Assistance may be terminated upon good faith notice by either Party. "Good Faith Notice" means written notice given to the Recipient's Authorized Representative for legitimate operational, safety, staffing, budgetary, or emergency-related reasons, and not for the purpose of avoiding obligations already accrued under this Agreement. Assistance will generally be offered in response to the initial disaster or emergency event, depending on the operational needs of the Provider. Long-term assistance should not be expected, such as for disasters or emergencies resulting in extensive property damage or debris that will take several weeks, months or years to remediate.

**F. Recall Authority** – Provider's personnel, equipment, and resources remain subject to recall by Provider in the Provider's discretion. Provider shall make a good faith effort to provide at least eight (8) hours advance notice to Recipient of intent to recall resources, unless impracticable, in which case as much notice as reasonable shall be provided.

**G. Safety Standards** – All Personnel shall comply with applicable safety standards including National Incident Management System (NIMS) protocols and applicable state or local safety requirements. The Recipient shall provide necessary safety briefings and hazard information.

## **SECTION V. REIMBURSEMENT**

**A. General Principle** – This agreement is entered into with the understanding that no charges will be assessed directly to any of the other Parties to this Agreement unless specifically stated herein. **The sole exceptions are: (1) specialized consumable supplies such as special suppression materials (foams, gels, chemical agents) where the Providing Party may request reimbursement for actual cost of materials consumed; and (2) lodging and food expenses, for which the Requesting Party shall be responsible unless it specifically notifies the Providing Party that emergency conditions prevent provision of such support, in which case the Providing Party shall send only self-sufficient personnel and no reimbursement for such expenses shall be sought.**

The Parties may seek reimbursement for eligible costs through federal, state, or other third-party sources, including but not limited to FEMA Public Assistance grants, emergency grants, funds or awards available through the State of Nebraska, or insurance recoveries, without obligation to pass through such recoveries to other Parties unless agreed in writing.

**B. FEMA Reimbursement Compliance** – All cost documentation shall comply with FEMA Public Assistance program requirements to facilitate federal reimbursement. Costs shall be documented with sufficient detail to support claims.

**C. Record Keeping** – The Recipient shall:

- Provide information and directions to Provider's Personnel for accurate record keeping;
- Maintain records of all assistance provided and costs incurred;
- Allow Provider access to records and cost documentation; and,
- Provide invoicing procedures and timelines.

Provider shall:

- Maintain detailed records of Personnel hours, equipment usage, materials consumed, and all costs incurred;
- Document all expenses with supporting invoices, receipts, and timesheets;
- Maintain records in accordance with FEMA Public Assistance requirements; and,
- Retain records for at least seven (7) years from final payment date.

**D. Billing Procedures** – Provider shall submit an invoice for all reimbursable costs and expenses, together with appropriate supporting documentation as required by Recipient, as soon as practicable after costs are incurred but not later than forty-five (45) days following the period of assistance. Recipient shall pay the invoice or advise of any disputed items not later than forty-five (45) days following receipt of invoice.

**E. Audit and Inspection** – Provider agrees to make all records regarding costs and expenses available for audit and inspection by Recipient, the State of Nebraska, NEMA,

and the federal government upon request. Records shall be maintained for at least seven (7) years after the date of final payment.

**F. Dispute Resolution** – If Recipient disputes any invoiced costs, Recipient shall provide written explanation of the dispute within forty-five (45) days of receipt of invoice. Parties shall attempt to resolve disputes through discussion between Authorized Representatives. If unresolved within thirty (30) days, disputes may be referred to the respective County Attorneys for legal review and resolution.

## **SECTION VI. PROVIDER'S EMPLOYEES AND LIABILITY**

**A. Status of Personnel** – Whenever Provider's Personnel are rendering aid and assistance pursuant to this Agreement:

- Such Personnel remain employees or agents of the Provider; and,
- They act under the direction of Provider's supervisory personnel and under the operational control of the Recipient as to work assignment.

**B. Governmental Immunity** – To the extent permitted by law:

- Each Party retains all applicable governmental immunities;
- Provider's Personnel retain the same immunities when rendering aid and assistance under this Agreement as they would possess if performing duties within their home county; and,
- Neither Party waives any legal immunity or defense available under state or federal law by entering into this Agreement.

**C. Independent Contractors** –The Parties shall act in their individual capacities and not as agents, employees, partners, joint ventures or associates of the other. An employee or agent of one shall not be deemed or construed to be the employee or agent of the other for any purpose whatsoever. None of the Parties nor its personnel, employees, agents or contractors shall be entitled to any benefits of the other. The Parties shall not provide any insurance coverage to the other or their employees including, but not limited to, workers' compensation insurance. Each Party shall pay all wages, salaries and other amounts due its employees and shall be responsible for all reports, obligations, and payments pertaining to social security taxation, income tax withholding, workers' compensation, unemployment compensation, group insurance coverage, collective bargaining agreements or any other such similar matters. Any and all claims that may or might arise under the Workers' Compensation Act of the State of Nebraska on behalf of said personnel or other persons while so engaged, and any and all claims whatsoever on behalf of any such person or personnel arising out of employment or alleged employment, including without limitation claims of discrimination against a Party its officers, employees, agents or contractors shall in no way be the responsibility of the other Party. No Party shall have any authority to bind the other by or with any contract or agreement, nor to impose any liability upon the other. All acts and contracts of each shall be in its own name and not in the name of the other.

**D. Indemnification and Hold Harmless** – To the extent permitted by applicable law, each Party will indemnify, defend and hold harmless the other Party and its officers,

personnel, employees, agents, and subcontractors, from any and all liability, expense, cost, claim, judgment, suit and/or cause of action (whether or not meritorious), settlement, or demand for personal injury, death or damage to tangible property, which may accrue against the other Party to the extent it is proximately caused by the negligent acts or omissions or willful misconduct of the indemnifying Party or its officers, personnel, employees, agents, or subcontractors while performing their duties under this Agreement, provided that the other Party gives the Indemnifying Party prompt, written notice of any such claim, suit, demand, or cause of action. The other Party shall cooperate in the defense or settlement negotiation of such claim, suit, demand or cause of action. These Indemnification provisions are not intended to waive a county's sovereign immunity. Each county's liability is governed by and limited to the extent provided by the Nebraska Political Subdivision Tort Claims Act or other applicable provisions of law. The provisions of this section shall survive expiration or termination of this Agreement. This Agreement is not intended to, nor shall it provide third parties with any remedy, claim, liability, reimbursement, cause of action or other right or privilege; except that, to the extent permitted by applicable law, this Agreement's indemnification provision shall also inure to the benefit of a Party's officers, personnel, employees, agents, and sub-contractors in the performance of the requested services contracted for herein.

**E. Insurance.** All Parties agree to maintain at all times during this Agreement, at their own expense, a policy or policies of insurance or other legally authorized group self-insurance coverage agreement, containing coverage for any contingencies described herein including insuring against liability for bodily injury or death, personal injury and property damage (including civil rights claims). The minimum acceptable limits of liability shall be the same as the total amounts recoverable by any person for any number of claims arising out of a single occurrence, and for all claims arising out of a single occurrence, respectively, as set forth under the Political Subdivisions Tort Claims Act, at Neb. Rev. Stat. §13-926, or as may be revised.

**F. Firelines and Response-Related Damage** - To the extent permitted by Nebraska law, and except as otherwise expressly agreed in writing for a particular incident, the Recipient County shall be responsible for the reasonable costs of restoration or repair of firelines, dozer lines, access routes, staging areas, or other damage to private property that is reasonably and directly occasioned by response operations performed for the Recipient County under this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall be construed to waive, limit, expand, or otherwise affect any immunity, defense, limitation of liability, or other protection available to the Recipient County, its officers, employees, volunteers, or agents under the Nebraska Political Subdivisions Tort Claims Act, the Nebraska Emergency Management Act, the Nebraska State Tort Claims Act, or any other applicable federal or state law. Any claim for compensation or reimbursement shall be subject to and controlled by applicable Nebraska law, including any notice, filing, proof, or administrative requirements, and nothing herein shall create a right to payment where none otherwise exists under law.

**G. No Liability for Failure to Respond** – It is understood and agreed by all the parties to this Agreement that assistance is not assured or guaranteed to any party herein. It is

expressly agreed by and between all parties that any party to which a request is made, or which shall otherwise have knowledge of need of assistance in another county that is a party herein, shall have no liability whatsoever to the requesting party or any other signatory hereto or to the officers or employees of any party or to any third person whomsoever for failure for whatever reason to respond to, or delay in responding to, a call for assistance or failure to communicate such call or any failure or delay.

## **SECTION VII. NONDISCRIMINATION**

Each party agrees that in accordance with the Nebraska Fair Employment Practice Act at Neb. Rev. Stat. §48-1122 and 42 USC §12101, et seq., Parties and their subcontractors will not discriminate against any employee or applicant for employment, to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions or privileges or employment because of the age, race, color, religion, sex, disability, military or veteran status, religion, or national origin of the employee or applicant. Parties and their subcontractors shall not, in the performance of this Agreement, discriminate or permit discrimination in violation of any applicable federal or state laws or local ordinances.

## **SECTION VIII. AMENDMENTS**

This Agreement may be modified at any time upon the mutual written consent of all Parties. Modifications shall be:

- Executed by authorized representatives of each Party;
- Signed by all Parties or their designees; and,
- Filed with the Nebraska Auditor of Public Accounts as an amendment to this Agreement.

Additional counties may become Parties to this Agreement upon:

Each of the parties shall be fully responsible for all fuel costs, repairs, maintenance and upkeep of its own equipment.

**C. Remaining Parties** – In the event any party hereto shall cease to be a party under this Agreement, the parties remaining shall continue their relationship under the terms of this Agreement.

**D. Severability** – Should any clause, sentence, provision, paragraph, or part of this Agreement be adjudged invalid by a court of competent jurisdiction, such judgment shall not affect, impair, or invalidate the remainder of this Agreement, which shall remain in full force and effect.

**K. Public Benefits.** With regard to Neb. Rev. Stat. §§4-108 to 4-113, no Party is an individual or sole proprietorship. Therefore, no Party is subject to the public benefits attestation and related requirements of Neb. Rev. Stat. §§4-108 to 4-113.

**L. No Agency Relationship Created.** This Agreement merely creates the framework for cooperation among the Parties for the purposes hereof, and there is no agency or instrumentality and no agency relationship created hereby between the Parties or between any Party's employee and any other Party. The cooperative activity hereby established does not constitute an independent agency or employer. This is a cooperative undertaking between the Parties and their employees while performing any services under this Agreement shall at times and for all purposes remain employees exclusively of their employer.
