Celebrating 250 Years

July 22 – Western Nebraska Pioneers Party Deck

Our first event will be held on the party deck during the Western Nebraska Pioneers game on July 22. We will be running a contest to nominate local farmers to join us, along with the team from Adams Pumpkin Patch and members of the Tourism Committee. **Mark your calendars!** We have some amazing giveaways planned for the evening.

Hiding Hiram

"Hiding Hiram" will take place throughout the summer months. This scavenger hunt-style contest will feature Hiram popping up in unexpected places around the community. Participants will have opportunities to win prizes along the way.

If you would like to donate prizes or support the event, please let me know.
