Subject: County Survey Position
Attachments: Accustar CV 2026.pdf

Kelly,
I am writing to show my interest in the County Surveyor position.
I was previously Scotts Bluff County Surveyor and am currently the Appointed County Surveyor for Box Butte and Cheyenne Counties.
My license is current and can be verified on the State Land Surveyor Website.
Bosse', Scott #603

Nebraska Professional Land Surveyor
Accustar Surveying
CURRICULUM VITAE

2006-2009: **Paul Reed Construction and Supply** (Land Survey Manager) Gering, Nebraska

I was responsible for the surveying operations for construction projects and typical boundary surveying jobs. Some of the duties included: typical field surveying, calculations for staking construction projects, permitting for projects, quality control inspections, meeting with project engineers and managers for design clarification.

2003-2006: **Baker and Associates** (Land Survey Manager) Scottsbluff, Nebraska

This position was to be in charge of the surveying duties of multiple surveying crews performing in-house surveying services for this engineering firm. Responsibilities included being in charge of a wide variety of surveying projects including typical boundary surveys, topographic surveys, land development, construction layout and engineering design surveys.

2001-2003: **R&M Engineering** (Land Survey Manager) Juneau, Alaska

My responsibility was to be in charge of the surveying duties of multiple surveying crews performing in-house surveying services for this engineering firm, including, topographic and hydrographical surveys, tideland and accretion surveys, U.S. mineral surveys, boundary and right-of-way surveys and aerial photogrammetric control and mapping.

1998-2001: **Transystems Corporation** (Chief of parties) Denver, Colorado and Fort Worth, Texas
1997-1998: **Miller and Associates** (Party chief) Ogallala, Nebraska
1994-1997: **Zumbahlen Surveying** (Rod/Instrument man) Alliance, Nebraska
